

REMINDER

It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.

To register and download files, refer to the bottom of this document.

KING COUNTY REQUEST FOR PROPOSALS ADVERTISEMENT

King County is requesting Proposal Submittals from firms qualified and interested in providing multidisciplinary engineering services for transit facility projects on a work order basis.

The Request for Proposals, all addenda and current document holder's list, are available on the internet at http://www.metrokc.gov/finance/procurement/rfp_rfq_itb/default.asp (click the "New" tab then click the "consultants" tab). The County will no longer mail, ship or fax RFP's and addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The County plans to issue one (1) contract with a maximum dollar value of \$500,000. The contract will have an initial period of performance of one (1) year. The County reserves the right to amend the contract duration in one (1) year increments up to a maximum of three (3) years, if funds remain.

Contract Title: Work Order Multidisciplinary Engineering Services for Transit Facility Projects

Number: E43006E

Proposals due: April 1, 2004

Time: 5:00 p.m.

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: The Consultant shall provide a full range of architectural, engineering, survey, environmental, construction management and related services necessary to execute a wide variety of transit facility projects. Services may include: data review and analyses; engineering analyses; studies, evaluations and report preparation; development, evaluation and recommendations of design alternatives; final designs including Plans, Specifications and Estimates; and construction management services.

SUBCONSULTANT OPPORTUNITIES: The following identifies the types of subconsulting opportunities that may be available on this Contract and are provided only for informational purposes:

Mechanical Engineering, Electrical Engineering, Architectural Engineering

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements with which the Consultant shall comply.

QUESTIONS: Questions concerning this solicitation should be directed to Gib Myers, Contracts Specialist at 206-684-2024. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.

ATTENTION

In addition to the recently advertised solicitation for Architectural Services for Transit Facility Projects (E43006E) and this solicitation E43006E for Multi-disciplinary Engineering Services, King County Metro Transit will be advertising two (2) more A&E consultant work order contracts in the next few months, one for Architectural Services and one for Multi-disciplinary Services. Please note that a consultant cannot be awarded both Architectural Services for Transit Facility Projects on a Work Order Basis, or both Multi-disciplinary Engineering Services for Transit Facility Projects on a Work Order Basis procurements. While the information below is current at this time, it is subject to change. Refer to the County's Procurement web site for more details:

http://www.metrokc.gov/finance/procurement/rfp_rfq_itb/default.asp.

Description of Procurement	Estimated Ad Date
Architectural Services for Transit Facility Projects on a Work Order Basis (Non-Federal)	March, 2004
Multi-disciplinary Engineering Services for Transit Facility Projects on a Work Order Basis (Federally Funded)	April, 2004
